## INDUSTRIAL MUSEUM-LIKE ATMOSPHERE

**BROICH** CATERING & LOCATIONS

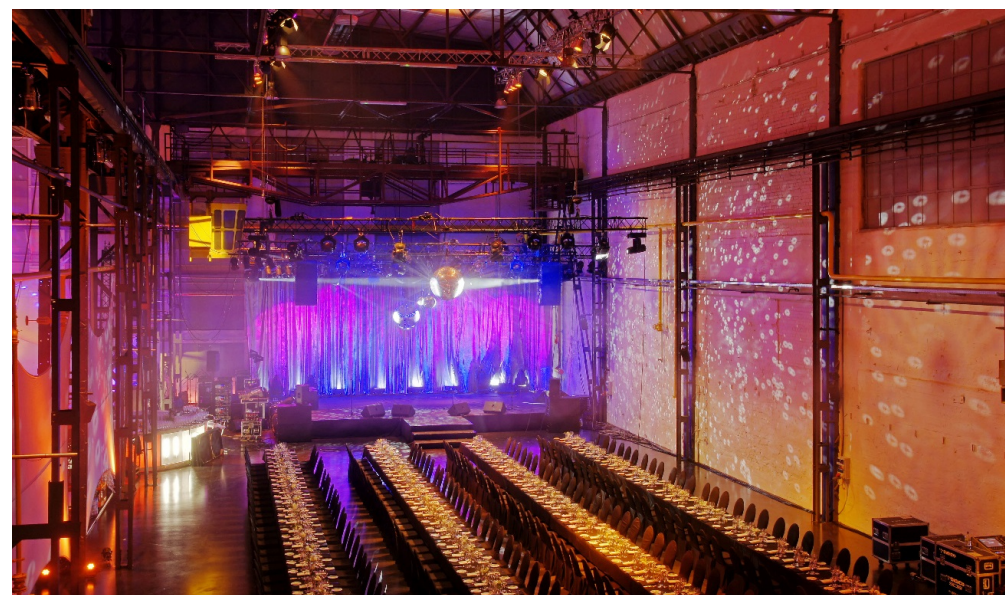

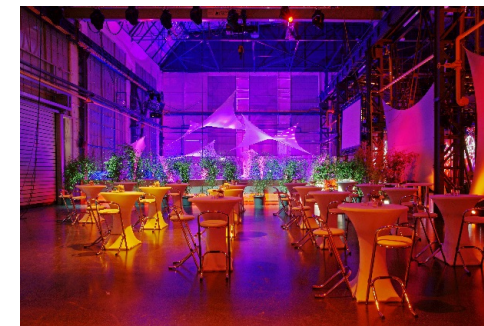

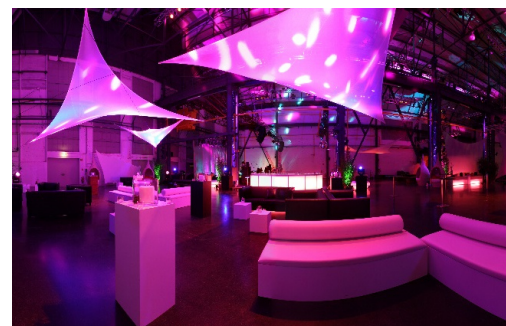

**ALTE FEDERNFABRIK**  
AREAL BÖHLER | DÜSSELDORF

Originally built as a factory for casting crucible steel in 1914, it was opened as an event location in April 2011 after lavish renovations.

The 1600 m2 space is a perfect backdrop encouraging inspiration and creativity all manner of different events in different formats – ranging from product presentations to classy galas or parties with an edgy industrial atmosphere.

The hall can be divided in the middle with the help of a crane, thus providing an optimal space for corporate events.
